All pricing subject to change without notice**

**Sound Projections
Two Year Limited Warranty**

Sound Projections brand products purchased after January 1, 2025 are warranted to be free of defects in materials and workmanship for a period of 2 years from the date of original purchase, subject to the following conditions:

- * This warranty excludes defects caused by normal wear, abuse, shipping damage, or failure to use product in accordance with instructions. All warranty service must be performed or authorized by Sound Projections. Any service, modifications, or disassembly performed without authorization from Sound Projections may void this warranty.
- * The product must have been purchased through an authorized Sound Projections Dealer, or through Authorized Distributor.
- * The LFP rechargeable battery in SM-5, and VM-2 models are warranted for a period of 2 years.
- * Wireless microphone and Bluetooth options are warranted for a period of 2 years.
- * All accessories are warranted for a period of 2 years.
- * Prior to returning your unit for repair and / or warranty service, please contact our customer service department at the address below for a return authorization (RA) number.
- * Product repaired under warranty will be shipped prepaid to the customer via UPS ground or equivalent.
- * For warranty repair - complete systems must be returned to Sound Projections. Subassemblies will be repaired and returned at normal service rate.
- * Sound Projections will not evaluate or repair items that have been modified by customer.

Warranty for Repairs done by Sound Projections

For repairs performed by Sound Projections after the normal warranty expires the following statement applies.

Components repaired or replaced by Sound Projections are warranted for a period of six months from the repair / replacement date. Necessary parts and labor are covered. Shipping to and from Sound Projections is the responsibility of the customer. The repair warranty excludes defects caused by normal wear, abuse, shipping damage, or failure to use product in accordance with instructions and is subject to the sole discretion of Sound Projections.
